Eduardo,

I have already filled out the site update. What was the final count of residential wells (54?)

Connor,

Would you do this (the update)? From my part, we are done with the second round sampling (raw water) . . . waiting for results. We will collect a second sample of the filtered water at the properties DNREC provided filters to in August . . . that would be about six months since they got the filters.

**Subject:** ACTION: PFAS update reminder

Hi All,

Please have your folks update the PFAS site summary by Monday the 23<sup>rd</sup>. Here is the link to the July update.

[https://usepa.sharepoint.com/:w:/r/sites/R3/HSCD/\\_layouts/15/Doc.aspx?sourcedoc=%7B4D22F2EE-E483-42FE-AFD6-58D7D7C88351%7D&file=July%202018%20R3%20PFAS%20Update.docx&action=default&mobileredirect=true](https://usepa.sharepoint.com/:w:/r/sites/R3/HSCD/_layouts/15/Doc.aspx?sourcedoc=%7B4D22F2EE-E483-42FE-AFD6-58D7D7C88351%7D&file=July%202018%20R3%20PFAS%20Update.docx&action=default&mobileredirect=true)

Since the  PFAS Community Engagement is next Wednesday we will not have our biweekly meeting. I will provide the July update to our managers so they have backup information if needed to answer questions at the Engagement.

Thanks for your help. If you have troubles with the link please contact Sue Haug, questions about the update contact me or Sue.

Thanks  
Steve
